***Trailways 2015 Driver of the Year Awards
Ceremony***

This year, we are honored to have not one but TWO winners of the Trailways Outstanding Driver of the Year Award!

Our two drivers are from the eastern U.S.

One is a full-time Charter & Tour driver.

One is a full-time Schedule Route driver.

Both our **Outstanding** Drivers in their own individual ways!

First let me tell you about the **Trailways Outstanding Driver of the Year in the Charter & Tour category.**

He has been a driver at Pine Hill Trailways for eight years.

His customers absolutely love him.

One of his customers said he is “one of the most personable drivers” she has ever known. She said, “He always takes the time to plan ahead; he is always thoughtful and he does the extra things to make her trips more pleasant.”

In addition to his happy customers, his co-workers also greatly appreciate him.

“He is a role model and a customer service expert,” his boss said....

“He is always punctual and in perfect uniform. He is the **ULTIMATE PROFESSIONAL.**”

He has not been absent or late for work and had no preventable accidents in ALL of 2015! He has driven nearly *half-a-million miles* the eight years with the company...

Please join me in congratulating our Outstanding Driver in the Charter & Tour Division:

Aaron Schwartz of Pine Hill Trailways of New York

Next, let me tell you about the Outstanding Trailways Driver of the Year in the Schedule Route division.

This amazing individual has driven nearly TWO MILLION miles in his 40 year career.

He is with Adirondack Trailways. He joined the company in 1978.

His current schedule is the Albany to Port Authority daily route.

In 2015 alone, he drove that route sixty-six thousand four-hundred miles accident-free.

His coworkers say that he is punctual, friendly, courteous and reliable.

This particular man also has been elected to serve for fifteen years on the Operator Committee at Adirondack Trailways and the General Committee to represent six bargaining units.

If that doesn't keep him busy enough, he is also a volunteer fire fighter in his community.
