Helpful Hints.

Trailways wants to help ensure your peace of mind during your group trip. All Trailways bus companies can provide the following answers to you. Other companies may not be equal in operational standards. Be sure you avoid sacrificing quality for price. Trailways has been a trusted transportation company since 1936 and 75 million people ride Trailways buses annually for schedule routes, charters, tours, day trips, even school bus service and more.

Group Trips: Planning Checklist

1. PLANNING & PRICING

- ☐ Provide your detailed itinerary in order to accurately quote a price for your bus trip.
- ☐ The trip must meet U.S. federal driver Hours of Service laws.
- ☐ Determine the company policy for extra mileage costs above your contracted amount.
- ☐ Find out the carrier's policy concerning overage miles (more than 10 hours).
- ☐ Ask who is responsible for underwriting the cost of the driver's hotel room and if the driver will stay in same hotel as your group.

2. ROAD ASSISTANCE

- ☐ Inquire about the company's procedures for on-the-road emergencies. Trailways companies have access to a 24/7 help line 1-877-786-8735.
- ☐ Obtain the size of their fleet to find out if they can supply alternate vehicles in the event of a mechanical problem or for multibus trips.
- ☐ Is the company full-service?
- ☐ Do they have their own maintenance facilities?
- ☐ Inquire about the average age of the fleet.

3. DRIVER QUALIFICATIONS

- ☐ Drivers must have a commercial driver's license (CDL), a DOT driver file, a current DOT physical examination and an approved Medical Examiner's Card.
- ☐ Confirm that the company is in compliance with federal and state drug and alcohol testing policies for drivers/employees.

4. OPERATIONS | SAFETY

- ☐ Check the carrier's safety rating (in the U.S., visit: www.saferysys.org).
- ☐ Ask how long the company has been in business.
- ☐ Request the company's U.S. Department of Transportation (DOT) number.
- ☐ Request a copy of their Certificate of Insurance. Accepted levels of insurance call for \$5 million combined, single limit liability coverage. Check company references
- ☐ Is the company legally licensed to show motion pictures? Only carriers licensed by the Motion Picture Association of American may show copyrighted movies (MPAA license).

CAPITAL TRAILWAYS OF MONTGOMERY

520 North Court Street | Montgomery, AL | 36104 | US DOT: 105849

Since 1930, Capital Trailways has been a leading member of the charter and tours segment of the motor coach industry, with three related locations across Alabama. Capital Trailways, along with her sister company Colonial Trailways, serves an important role in the Trailways network. Capital and Colonial Trailways were initially involved in scheduled routes in the bus industry. After the formation of the Trailways network in 1936, Capital and Colonial Trailways joined the organization to become a strong member within the network of independently owned and operated bus companies in North America.

In 2024, Capital Trailways celebrates its 94th year in the bus business, and Colonial Trailways celebrates its 89th year! Both companies are very proud to be in their 5th generation of family ownership.

As part of the Trailways' charter bus network, our companies are the only designated Trailways companies in our locale. This provides your group with many advantages including maintenance and servicing of equipment and roadside support as needed nationwide, for peace of mind. Our company provides a variety of vehicle options for groups of all sizes and will utilize Trailways' partners for large multi-bus moves as needed.

BURLINGTON TRAILWAYS

906 Broadway | West Burlington, IA | 52655 | US DOT: 205055

The Burlington Transportation Company was founded by the Chicago Burlington Quincy Railroad. Known as The Burlington Line, it was a founding member of the National Trailways Bus System in 1936 and operated as Burlington Trailways/American Bus Lines until 1952. Later, in 1954, Continental Trailways purchased it.

In 1981, Ron and Lori Moore acquired it and returned it to its original name, Burlington Trailways, a name which had not been used for 29 years. We provide transportation services to individual and business entities within our marketing area. These services are offered on a regional, nation-wide, and international basis in the form of: Scheduled intercity passenger service; chartered bus service to individual/company preferred destinations; all-inclusive escorted tours providing transportation, accommodations, and special activities for our traveling guests.

As part of the prestigious Trailways® charter bus network, our company is the only designated Trailways company in our locale. The traveling public trusts the well-known Trailways name for its consistency since 1936. It is the largest network of independently owned bus companies in North America. VIKING TRAILWAYS

201 Glendale Road | Joplin, MO | 64804 | US DOT: 161583

Viking Trailways was established in 1972 by Gale and Beverly Webb. After nearly 40 years of service Viking Trailways is still owned and operated by these founders. From the start, attention to customer service and satisfaction was to be "job one". Prompt on time delivery of customers in clean well-maintained equipment has continued to this day. Viking Trailways operates the newest fleet of buses in the area. Each bus is equipped with GPS systems giving parents, guardians, or group leaders the opportunity to monitor the location and safety of buses and passengers. In fall of 2009, Viking Trailways was the only bus company in the area to meet strict guidelines and was selected as an official bus supplier for the 2010 Winter Olympics in Vancouver, BC.

As part of the prestigious Trailways® charter bus network, our company is the only designated Trailways company in our locale. ADIRONDACK TRAILWAYS

499 Hurley Avenue | Hurley, NY | 12443 | US DOT: 117395

Adirondack Trailways is part of Trailways of New York, the largest intercity bus company in the state. It employs over 400 people and carries passengers more than 8,000,000 miles annually. Founded in 1926 by the Van Gonsic Berardi family, Trailways of New York first began as the Rip Van Winkle brand with commuter service between New York City and the Hudson Valley. During the 1930s following a series of early successes in the then newly emerging bus industry, service was first extended from its original Hudson Valley and Metro New York home into the Adirondack Region.

Over time, the company grew to include The Dixie Bus Terminal in New York City and other properties in the Northeastern region. Additional expansion occurred in the 1990s when service was expanded to include Long Island. A partnership was also established with Greyhound Bus Lines to provide enhanced service and reliability. Today, Trailways of New York operates under five brands including Adirondack Trailways, Pine Hill Trailways, New York Trailways, NeOn Bus, and LINE.

A. Hours of Service Laws

10 Hours' Drive Limit:

A for-hire transport driver may drive a maximum of 10 hours per day in a non-consecutive, 15-hour period, but only after taking 8 consecutive hours of "off-duty" time.

15 Hours "On-Duty" Limit:

A for-hire transport driver may not drive after having been "on-duty" for 15 hours; and, only after taking 8 consecutive hours of "off-duty" time will s/he be allowed to drive again. "Off-duty" time is not included in the 15-hour "on-duty" period.

60/70 Hours "On-Duty" Limit:

A for-hire transport driver may not drive more than 60 hours in 7 consecutive days; nor, drive more than 70 hours in 8 consecutive days.

A for-hire transport driver is subject to being cited "out-of-service" immediately, even en route with passengers onboard. Travel may be suspended until an alternate driver is secured and reaches the location of the detained vehicle. Both the for-hire transport company and driver are subject to severe penalties that can negatively affect their livelihoods.

Canadian For-Hire Transport Driver Hours of Service

Regulate the number of driving hours in a day (24 hours), the length of an actual work-cycle, and, the total number of work-hours a driver can accumulate over the course of an actual work-cycle, e.g., #1) 7 days (one week) or 70 hours maximum of on-duty time; or, #2) 14 days (two weeks) or 120 hours maximum of on-duty time.

For other Canadian Border Crossing Help & Rules, please ask your carrier.

European Trailways companies must also comply with their country's commercial driver laws.
